

## Housing

Your team will be pre-assigned to a University Housing residence hall, based on your on-line submission. It is necessary to assign one person to every available bed in order to accommodate all teams.

Most residence hall rooms are double occupancy rooms; however, some are single, triple and quadruple occupancy rooms. Beds are single (twin) beds; many are bunked without railings. Residence halls are not air conditioned, so a fan is recommended. Telephones are not provided in residence hall rooms. However, telephone lines are active and guests may bring a landline telephone to plug in. Local calls are free; long distance calls require a calling card.

University Housing has a limited amount of handicap accessible residence hall rooms. It is very important to contact University Housing, as soon as possible, with accommodation needs for any member of your team including, but not limited to, mobility access or strobe light fire alarms for those who are hearing impaired. Please contact University Housing Conference Services at (517) 353-9300 or [confserv@mail.hfs.msu.edu](mailto:confserv@mail.hfs.msu.edu) with the team member's information, including needed accommodations. Due to the limited amount of accessible rooms, University Housing cannot guarantee that these team members will be housed with their team or state.

Each person is provided with a pillow, pillowcase, sheets, blanket, and 2 towels. Daily towel exchanges will be available at the service centers. Coin operated laundry facilities are available in the residence halls.

Residence halls will be open from 7:00 am to 10:00 pm daily. Enter the buildings from 10:00 pm to 7:00 am through the front entrances. Team members must show their wristband to enter, and will only be allowed entrance to the halls in which they are housed. Quiet hours are from 10:00 pm to 7:00 am daily. Out of respect for other competing teams, please keep noise at a minimum during quiet hours.

A 24-hour service center will be located in each residence area. Service Center staff can provide change, exchange towels, and provide information regarding housing and dining and the MSU campus. Coin-operated vending machines with soda, juice, and snacks are available in each hall and in various locations across campus.

Convenience stores are located in some residence halls and across campus. They carry a wide variety of beverages, snacks, MSU souvenirs, laundry supplies, and personal care items. Be sure to look for "Michigan made" products and displays!

MSU Federal Credit Union has ATMs located in most residence halls and across campus. These machines accept cards using Cirrus, NYCE, and STAR networks. The MSU Federal Credit Union also has a branch office in the MSU Union.

The MSU Union offers many rest and recreation opportunities. You can find a United States Postal Service substation, bowling alley, billiards room, T-Styles Styling Salon, Beaner's Coffee, MSU Dairy Store, a convenience store, and Spartan Spirit for MSU souvenirs. Make sure to plan a trip to the MSU Union while on campus!
