

Parking & Transportation

Parking

Parking lots which are not gated or otherwise noted as Odyssey-restricted are available free of charge. However, you need to display the special Odyssey parking permit which you will receive at registration. This permit also allows parking at any meter in the city of College Park. The permit is NOT valid in campus pay lots.

Normal restrictions apply to fire lanes, spaces marked "Disabled Parking" and spaces reserved for service vehicles. Parking in roadways, on pedestrian walkways or on landscaped areas is also prohibited. Please take care to avoid these restricted areas.
